Dear Martyn

I am writing to thank you very much for your efforts as a presenter during Workplace Safe Week 2007. The amount of commitment and effort you put into organising and presenting your session was greatly appreciated.

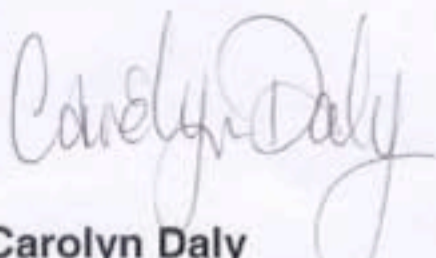

Workplace Safe Week 2007 was one of our most successful ever and your participation contributed to its success.

As you know, the theme of Workplace Safe Week this year was '*A Week to learn more about OHS – what have you got to lose?*' Your efforts went a long way to address our aim of getting business and individuals involved by presenting a seminar or workshop and/or coming along to one of these events.

If you have any feedback about the Week or about your seminar it would be great if you could pass it on to me so we can take it into account for our planning for next year. I can be contacted either by email at Carolyn.Daly@justice.tas.gov.au or by phone on (03) 6233 8858.

I look forward to working with you again in the future.

Kind regards,
